As We close the thirty-day period during which the Master, Serapis Bey, was Host to a number of the members of the human race as well as the Ascended Masters of the Spiritual Hierarchy, I would like to incorporate the final address which He made on Saturday evening, February 14th, to the assembled Guests. The number of lifestreams who attended the meetings at Luxor was much smaller than the number who were in attendance at the Rocky Mountain Council, because people, even in their inner bodies, shy away from the purity and honesty of purpose and motive which the Ascension Flame and Its Great Guardian demand of all who come within Its compass and aura.

SERAPIS BEY'S ADDRESS TO THE ASSEMBLY

All the world is seeking Peace - individually, nationally and internationally. That Peace comes only when the outer self voluntarily returns like the prodigal son, to the Home of the Father and decides to surrender the personal will and purpose to the Wisdom and Design of the God-Self.

Watching, through the centuries, the constant conflict between the Light within the soul of man which desired to come Home and the ceaseless demands of the senses for the use of Life to gratify their temporary appetites, I AM well equipped to

engage in the joyous endeavors of the Cosmic Law to bring Peace to every man who honestly is willing to 'pay the price'. What is this price? Surrender of the personal self to the Presence of God within.

Many times, through the centuries, I have stood, absolutely alone, guarding the Flame at Luxor, and every one of My disciples, grasping in his hands the gift of life, went forth, each one taking some blind alley, seeking happiness and peace. The blessed ones, scattering the precious life energy carelessly upon their journey, sooner or later, came to the end of the road where stood the Karmic Angel with the Flaming Sword who pointed them back along the very path they had so eagerly come - believing it to be the Way to Freedom and to Peace; and to each one the Angel gave a basket commanding the soul to gather up the life energy thrown away in careless abandon on the heedless adventure. Ah! the wearisome return, reaping the harvest of tears; the soul required to wipe away the traces of carelessly expended energies from the lifestreams it had passed upon the road until each one came to the point from whence it had started forth.

~~Here~~, for a time, subdued and humble, the soul light again asserted its desire for freedom and ~~into Luxor~~ would return the aspirant. I, mirroring the karma of the centuries in My heart, would bind up the wounds of experience and endeavor to provide the necessary disciplines and applications by which the seeds of undeveloped vices might never grow and prod the neophite to another journey into the world of maya - and I would hope - and pray!

But when the Flame flowed freely, and the memory of the unpleasant journey of the past grew dim, and the life vitalized the restored inner bodies, again the neophite would ask that he might take 'his portion of life' and go forth - usually to redeem the world. Another blind alley, for the most part, because for the one who might remain true to such a course, there would be a thousand who, although motivated by sincere desire to raise the race, would soon be caught up in the momentum of the people and the life energies blend with the 'ways of the world'.

Today the Christ Selves of 200,000 lifestreams presently incarnated upon the planet Earth have applied to the Cosmic Law for permission to consciously impress and direct the outer selves which they have sustained through the centuries. This Grant has been given and I, Myself, have stood Sponsor for each such one. My service is to prepare the field for the sowing. In other words, it is My particular service to reach the outer consciousness and make it willing to accept the God Design and receive the Spiritual Bridegroom (the Presence) NOW. In this manner, the Christ Self, through each one, may stand revealed in all the Glory and Perfection which the Master Jesus manifested in His Ministry.

You who have gathered here each night know something of what is required of you. Surrender of the outer self to the Presence of God that beats your heart; constant, conscious returning of your attention to the Presence as the Directing Intelligence until you become acquainted with Its Nature, devoted to Its purpose, and sensitive to Its slightest prompting - not only in times of contemplation, but in the noisy tumultuous currents of daily living as well.

Your life must become a channel for the Power, the Peace, the Healing and the Supply of your own Presence which is ONE with the Father of All Life. This is your reason for being, and for this came you into the world. You shall know neither Peace nor Happiness until you fulfill this purpose consciously.

PRESS your outer consciousness against the Great Body of God until you can actually and actively FEEL His Strength, His Omnipresence, His Omnipotence, His vital Health and Well-being, His Peace and His Power. The Nature of God is the most contagious of all Natures, but you must expose yourself to its influence in order to ex-perience Its esence alive within you and flow-ing through you to expand the borders of the Kingdom.
